

Our Story

Pétsi Pies (pronounced "peet-see") is an indie bakery and coffee bar serving up handmade pies and pastries in Somerville, Massachusetts since 2003.

Founder Renee "Pétsi" McLeod grew up baking pies in her grandmother's kitchen and hasn't stopped since. We bake everything fresh daily using only all natural ingredients and no fillers or mixes of any kind. Our two locations in Cambridge specialize in soups, sandwiches and espresso drinks in addition to offering our sweet treats. Please stop by our shops and enjoy some of our creations, there's always something new coming out of the oven and we can't wait to share it with you!

Catering

We love to cater! Crowds are easily pleased with pie, and hosts are pleased with how easy it is! We can supply pies and pastries as well as sandwiches, soups and salads for your special event.

We love weddings! Unlike traditional wedding cakes, pies offer a beautiful presentation, variety of flavors for your guests and an attractive price. They are also much more convenient to handle, deliver and set up. Contact us to discuss details and set up a tasting!

Whether it's weddings or other special events, please contact the Beacon Street bakery or email us @info@petsipies.com. Delivery is available within the metro-Boston area, fees are dependent upon the distance and delivery time.
